

Mr. Bill Markiewicz

“You can’t hoot with the owls, if you want to soar with the eagles.”

Bill Markiewicz was a driving force on the Rockland County cross country and track scene in the 70’s and 80’s. Born in Brooklyn in 1949, he graduated from Albertus Magnus High School in 1967. In 1972 he began teaching math at Clarkstown High School; he would become the coach of the North boys’ and girls’ cross country teams in 1978. Under his guidance, the Rams won Section 9 cross country championship in 1983 before the realignment for Section 1. In the spring of 1990, he relinquished his coaching duties to concentrate on his health, as he had been diagnosed with cancer. Over the next 18 months he experienced a wonderful outpouring of support from his friends and colleagues in the Rockland and surrounding running communities. He passed away on March 13, 1991, at the age of 41.

In the fall of 1991, the Alumni Race was renamed the Rockland Alumni Cross Country/Bill Markiewicz Memorial Run to honor Bill’s impact on the sport in Rockland County. That Year also saw the birth of the Bill Markiewicz Award, which is now presented annually at the start of the race to an individual who has made a significant contribution to the local cross country community. Mr. Markiewicz himself was the first recipient of the award; his widow Janet now presents the award each year as the runners gather on the starting line to pay tribute to this special man.
